

GOVERNMENT OF UTTAR PRADESH
POWER (B) DEPARTMENT.

N0.1135 EL/XXIII-PB-94 ELA / 58

Dated : Lucknow , May 11, 1967,

AS AMENDED UP TO 17-11-1999 ✓

NOTIFICATION

The following conditions, which are prescribed by the Government of Uttar Pradesh for the grant of licences to the Electrical Contractors for the purpose of rule 45 of the Indian Electricity Rules, 1956, are published for general information in supersession of all previous notifications on the subject. These conditions shall apply to the whole of Uttar Pradesh and shall come into force with effect from the date of publication of this notification in Uttar Pradesh Gazette.

CONDITIONS FOR THE GRANT OF LICENCES
TO ELECTRICAL CONTRACTORS.

1. PURPOSE.

These conditions regulate the issue and renewal of licences to electrical contractors, in pursuance of provisions of rule 45 of the Indian Electricity Rules, 1956, for execution of electrical installation works.

2. CLASSES OF LICENCES.

There shall be two classes of licences, "A" and "B", which shall be granted by the Electrical Inspector to Government, Uttar Pradesh, Lucknow in the form specified in Appendix -I.

3. SCOPE.

A Contractor holding "A" class licence can carry out electrical installation works throughout the State. A contractor holding "B" class licence can carry out electrical installation works (except high or extra high voltage installations) within the district in which the main office or the workshop of the contractor is declared to be located as well as in other districts, the boundaries of which touch the said district.

Contd.2.

4. REQUIREMENTS.

::2::

The minimum requirement of stock and staff etc. for each class licence shall be;

class	stock	Staff	Tools & appliances.
"A"	Wiring material and accessories worth Rupees 1,00,000 ¹ / ₄₀₀ .	One Supervisor holding a certificate of competency and two wireman holding permits issued by the Electrical Inspector to Govt. Uttar Pradesh. If the work is undertaken simultaneously in more than one district an additional permit holder Wireman shall be employed for each district.	Megger 500 volts, Portable double range Voltmeter suitable for Voltage for 0-650 Volts A.C./D.C. and Ammeter 0-50 Amps. A.C./D.C. and earth tester.
"B"	Wiring material and accessories worth Rupees. 2 50,000 ² / ₄₀₀ .	One Supervisor holding a certificate of competency and one wireman holding a permit issued by the Electrical Inspector to Govt., Uttar Pradesh when the work is confined to the district where the main office or workshop is situated. If work is simultaneously undertaken in the adjoining districts the boundaries of which touch his district one additional permit holder wireman shall be employed for each district.	Megger-500 Volts.

- N.B.(1) Only those materials and accessories which conform to the Indian Standard Specifications wherever these exist or in their absence such materials as are approved by the Electrical Inspector to Govt., Uttar Pradesh, for the purpose, shall be taken into account for valuation of the stock.
- (2) If the contractor himself holds a certificate of competency, he need not employ a Supervisor if he can himself directly supervise the work. He must, however, employ required number of permit - holder wireman / wiremen to do the work even if he himself holds a wireman's permit.

::3::

(3) The Electrical Inspector to Government, Uttar Pradesh may grant relaxation in respect of requirements of testing instruments, except meggar in suitable cases.

(4) मुख्य विद्युत निरीक्षक, उत्तर प्रदेश शासन, लखनऊ के परिपत्र संख्या 1298 ला0अनु0/दो-18, दिनांक 04.07.1986 के अन्तर्गत "क" श्रेणी विद्युत ठेकेदारी लाइसेंस प्रदान करने/नवीकरण किये जाने हेतु उपरोक्त विवरण के वोल्ट-मीटर तथा अमीटर के स्थान पर निम्नलिखित विवरण के पोर्टेबुल सेट्स भी मान्य होंगे :-

सेट नं0-1.

1. पोर्टेबुल वोल्ट मीटर, ए0सी/डी0सी0, डबल रेंज, 0-600 वोल्ट
2. पोर्टेबुल अमीटर, ए0सी0/डी0सी0, डबल रेंज, 0-50 एम्पियर

सेट नं0-2.

1. पोर्टेबुल मल्टी मीटर, ए0सी/डी0सी0, मल्टी रेंज, 0-1000 वोल्ट
2. पोर्टेबुल अमीटर, ए0सी0/डी0सी0, डबल रेंज, 0-50 एम्पियर

सेट नं0-3.

1. पोर्टेबुल टांगटेस्टर, मल्टी रेंज, 0-600 वोल्ट (ए0सी0)
मल्टी रेंज 0-300 एम्पियर (ए0सी)
2. पोर्टेबुल वोल्टमीटर, ए0सी0/डी0सी0, सिंगल रेंज 0-600 वोल्ट
3. पोर्टेबुल अमीटर ए0सी0/डी0सी0, सिंगल रेंज, 0-50 एम्पियर

5. TO WHOM LICENCE CAN BE GRANTED.

Any person or company registered under the Companies Act, 1956, may be granted a licence under these conditions. The licence shall not, however, be granted to:-

- (1) A person holding a certificate of competency or a wireman's permit issued by the Electrical Inspector to Govt., Uttar Pradesh, who is in the employment of an Electrical Contractor, Govt. Department, a local authority, any educational or technical institution, any other person or company unless he undertakes to leave the service of his employer and work independently.
- (2) A person or company whose licence was cancelled under these conditions within three years of the date of his application for a new licence. Provided that if in the opinion of the Electrical Inspector to Government, Uttar Pradesh the reasons for the cancellation of the licence were technical and not serious, he may in his discretion grant a fresh licence after the applicant pays an additional fee of Rs. 50-00.

Contd.4.

6. APPLICATION FOR LICENCE.

An application for the grant of licence shall be made to the Electrical Inspector to Government, Uttar Pradesh, Lucknow, in the form prescribed in Appendix II.

7. INSPECTION BEFORE ISSUE OF LICENCE.

A Licence shall be granted by the Electrical Inspector after satisfying himself by inspection, carried out by him or by his representative, that the requisites under these conditions are being fulfilled. If, however, inspection is not possible within one month of the receipt of an application, the Electrical Inspector may in his discretion issue on receipt of licence fee a provisional licence which shall be subsequently confirmed or cancelled as the case may be on the result of the inspection.

8. CHANGE OF CLASS OF LICENCE

Application for change of licence from "B" class to "A" class may be made during the currency of a licence on payment of the prescribed fee for inspection. If inspection is not possible within 15 days of the receipt of the application, the Electrical Inspector may at his discretion, issue a provisional "A" class licence, which will be subsequently confirmed or cancelled, as the case may be, on the result of the inspection. No separate inspection fee shall, however, be chargeable for converting a "B" class licence into "A" class licence if this is done at the time of annual renewal of the licence or if an "A" class licence is got changed to "B" class during its currency.

9. ANNUAL INSPECTION AND RENEWAL OF LICENCE.

(i) Stock of material, testing instruments and the register of contract and staff etc. of all licenced contractors shall be inspected by the Electrical Inspector or his representative annually after the 31st of October during the currency of a licence. The date of inspection shall be duly notified to the contractor at least 15 days in advance. The requisite treasury challan on account of the annual inspection fee must reach the Electrical Inspector's Office latest by the last day of September each year, failing which, the inspection may be carried out on payment of the prescribed late fee, provided that the treasury challan on account of the annual inspection fee together with late fee reaches the Electrical Inspector's Office by 15th November, otherwise no annual inspection shall be carried out and the licence shall not be renewed after its expiry.

(ii) Besides the annual inspection, the Electrical Inspector or his representative may make inspections at any time as and when necessary in the public interest. No fee for such inspection shall be charged but fee will be chargeable for subsequent inspection that may be found necessary for checking of the compliance of the defects noticed in the earlier inspection.

(iii) The contractor shall give all information required by the inspecting officer.

(iv) Every licence shall be renewable annually. Failure to renew a licence shall render it invalid and full fee for the issue of a new licence shall be charged. Subject to sub condition (i), application for renewal together with the licence and treasury challan showing that the requisite renewal fee has been deposited shall be submitted to the Electrical Inspector at least 20 days before the date of expiry of the licence. If any contractor fails to do so, his application for renewal may be entertained by the Electrical Inspector on payment of the prescribed late fee in addition to the renewal fee, provided the application, licence and the treasury challan are received in his office within 30 days of the date of expiry of the licence.

10.1 FEES.

The following fees shall be levied under these conditions :-

(i) Fee for inspection of contractor's premises etc. whether initial, subsequent, annual or at the request of the contractor.	Rs. 150=00
(ii) Licence fee	Rs. 750=00
(iii) Renewal fee	Rs. 225=00
(iv) Late fees	Rs. 75=00
(v) Fee for settlement of dispute	Rs. 30=00
(vi) Fee for making appeal	Rs. 10=00
(vii) Fee for duplicate copy of licence.	Rs. 75=00
(viii) Fee for change of name or address of shop / workshop.	Rs. 100=00

1- अधिसूचना सं० 1436, दिनांक 29.06.1998 के द्वारा प्रति स्थापित ।

(11/10)
अहमद

Note :- All fees shall be paid in advance. It shall be deposited in the Bank of India, or in a Govt. treasury where there is no branch of the State Bank of India, under the head :-

“ 0043-विद्युत कर तथा शुल्क,
102-भारतीय विद्युत नियमावली के अन्तर्गत फीस ”

Forms with heads of accounts printed thereon, which are utilised for making the deposit can be obtained from the office of the Electrical Inspector to Govt. Uttar Pradesh, Lucknow, or from the offices of the Asstt. Electrical Inspectors, Electricity supply undertakings, Collectorates or the offices of the Uttar Pradesh State Electricity Board. No refund will ordinarily be allowed but Govt. may relax this provision in individual cases where considered necessary.

10(ए)- राज्य सरकार सार्वजनिक हित में या किसी विशेष परिस्थिति में उक्त फीस का उस सीमा तक, उस अवधि के लिये तथा अन्य शर्तों के अधीन जैसा उपयुक्त समझे, शिथलीकरण कर सकती है ।

11. SUBMISSION OF RETURNS AND MAINTENANCE OF RECORDS.

The contractor shall submit the following returns and information to the Electrical Inspector to Government, Uttar Pradesh, Lucknow :-

(i) Returns twice a year in the form specified in Appendix IV on or before the 15th July and 15th January each year.

(ii) Before starting any electrical installation work, entry will be made datewise in a register, which will be maintained in the form given in Appendix IV. This register will be kept upto date and produced for inspection whenever required by the Electrical Inspector or his representative.

(iii) Information regarding any change which occurs in the staff, to be submitted a fortnight of the date from which the change takes place.

Contd.7.

12. STAFF OF THE CONTRACTOR.

(i) The entire wiring staff excluding helpers shall consist of bonafide certificated and full time employees but a contractor may engage apprentices for training purposes. The total number of apprentices employed at any time shall not exceed the number of wiremen and supervisors employed at that time. The contractor shall not permit such apprentices to carry out any electrical installation work including additions, alteration, repairs and adjustments to existing installations except under the direct supervision of a person holding a certificate of competency and under the direct guidance of a wireman holding a permit issued by the Electrical Inspector to Government..

(ii) The contractor shall maintain a register giving information about the employment of supervisor / supervisors, wireman / wiremen and apprentices which shall be put up before the inspecting officer at the time of inspection. The register maintained by the contractor for the purpose of rule 13 of the Shop and Commercial Establishment Act will serve the purpose of this condition. A person whose name is not entered in such register, shall not be considered to be the bonafide employee on the contractor's wiring staff.

13. MODE OF CONTRACT.

Every contract for electrical installation work undertaken by the contractor shall be in writing in the form specified in Appendix V. It shall be open to inspection by the Electrical Inspector or his representative.

14. QUALITY OF MATERIAL AND WORK.

(i) The contractor shall be personally responsible for the quality of all materials used and for the work carried out by his employees. If the work is found to be defective by the electricity supplier on testing the installation before giving supply, the contractor shall be responsible for removing or rectifying the defect, but in case of disagreement, the matter may be referred by the contractor or the electricity supplier to the Electrical Inspector to Govt., Uttar Pradesh, Lucknow, whose decision shall be final and binding.

either party on payment of the prescribed fee as also the amount of the dispute, if any, to the Electrical Inspector to Govt., Uttar Pradesh, Lucknow, whose decision shall be final and binding.

15. CANCELLATION.

A licence granted under these conditions may be cancelled in the following circumstances :-

- (i) If breach of any condition is committed.
- (ii) If the contractor is found to execute an electrical installation work through unlicensed wireman or found to employ more number of apprentices than permitted under these conditions or found not to have got the work carried out under the direct supervision of a person holding a Certificate of competency.
- (iii) If the contractor fails to keep the testing instruments in order.
- (iv) If the contractor is found to have carried out works which were defective and not in accordance with the provisions of the Indian Electricity Rules, 1956, and the Indian Standard Code of practice for electrical wiring and fittings in buildings.
- (v) If it is found that the contractor is not carrying out electrical installation work satisfactorily.
- (vi) If the contractor signs and submits to the electricity supplier, completion certificates of works which have not actually been done by his own staff.
- (vii) If the financial position of the contractor has become such that he is unable to carry out his obligations under these conditions.
- (viii) If the contractor has knowingly furnished wrong information to the Electrical Inspector to Govt., Uttar Pradesh.

NOTE:- The licence shall however not be cancelled unless the contractor has been given a reasonable opportunity to show cause against the action for the cancellation of the licence. But it may be suspended at the discretion of the Electrical Inspector, during the pendency of enquiry. Where a cause for the cancellation of the licence is made out, the Electrical Inspector may instead of cancelling the licence impose a fine not exceeding Rs.50/-. Every order made by

the Electrical Inspector shall be subject to revision by the Governor on payment of prescribed fee. An application for revision will be made within 90 days from the date of the order appealed against.

16. DUPLICATE COPY OF LICENCE.

A duplicate copy of the licence will be issued on payment of the prescribed fee and on furnishing proof of the loss, damage etc. of the original licence. Application for the purpose shall be made in Appendix VI.

17. COMPLETION CERTIFICATE.

¹ (i) On completion of the electrical installation work the same shall be tested and completion certificate shall be issued by the contractor only in respect of such works which have been actually carried out by his wireman under the supervision of his supervisor and the test result shall be recorded on the form,

² उपषर्त (2) कार्यपूरक प्रमाण पत्र का निर्धारित प्रपत्र अधिसूचना के संलग्नक-1 के अनुसार होगा, जिसे ठेकेदार द्वारा टाइप किये हुये अथवा छपे हुये रूप में प्रयोग किया जा सकता है लेकिन कार्यपूरक प्रमाण पत्र पर ठेकेदार यह भी प्रमाणक अंकित करेंगे कि उक्त कार्यपूरक प्रमाण पत्र विहित प्रारूप में है।

ड उपषर्त (3) प्रत्येक माह निर्गत किये गये कार्यपूरक प्रमाण पत्रों की एक प्रति ठेकेदार द्वारा सम्बन्धित सहायक निदेशक जोन के कार्यालय में जमा की जायेगी। इसके साथ ही :-

(1) सहायक निदेशक जोन के कार्यालय में प्राप्त हुये कार्यपूरक प्रमाण पत्रों की प्रति 10 वर्द्ध तक संरक्षित रखी जायेगी।

(2) ठेकेदार भी भेजे गये कार्यपूरक प्रमाण पत्रों की प्रति अपने पास सुरक्षित रखेगा ताकि निरीक्षण के समय तथा विसंगति के मामलों में दोनों प्रतियों का मिलान किया जा सके।

¹ अधिसूचना संख्या-1484, दिनांक 06.06.1995 से प्रतिस्थापित।

² व ड. अधिसूचना संख्या-4365, दिनांक 17.11.1999 से प्रतिस्थापित।

18. ASSIGNMENT OR TRANSFER.

The licence is neither transferable nor inheritable. In case of change in the ownership or partnership of the firm at any time for any reason whatsoever, the licence shall stand cancelled from the date of the change.

19. RECOGNITION OF LICENCE ISSUED BY OTHER STATE GOVERNMENTS.

Electrical contractors holding licences valid in other States may be allowed under special circumstances, to carry out specified work or works in this State. A temporary licence will be issued to them for the purpose by the Electrical Inspector to Government, Uttar Pradesh. In the case of such contractors the Electrical Inspector may relax so much of these conditions as may appear justifiable, but no relaxation in the matter of payment of fee shall be made without the orders of Government.

20. ¹GENERAL.

Copies of the printed conditions may be obtained from the Superintendent, Printing and Stationery, Uttar Pradesh, Allahabad or Director, Electrical Safety, U.P. Government, Lucknow on payment of prescribed fee.

21. ²CHANGE IN THE NAME OR ADDRESS OF THE FIRM / WORKSHOP.

(1) The contractor licenced under these conditions shall intimate to the Director, Electrical Safety alongwith his licence for any change in location of his shop / workshop within one week of such change. In case the shop is transferred to place outside the district, then the licence shall stand cancelled from the date of such change.

-
1. अधिसूचना संख्या-1484, दिनांक 06.06.1995 द्वारा संशोधित ।
 2. अधिसूचना संख्या-1484, दिनांक 06.06.1995 द्वारा नई शर्त जोड़ी गई ।

:11:

(2) The contractor shall intimate the Director, Electrical Safety U.P. Government, Lucknow regarding any change in the name of his firm/ company or cooperative unit during the validity of the licence within one week of such change. Original licence, receipted copy of the treasury challan in support of the payment of the fee prescribed for recording the change in name and an affidavit to the effect that there has no change of any kind in the proprietorship or partnership or constitution of the firm / company / unit shall be submitted alongwith.
